## Preamble

We believe that the First Amendment of the Constitution of the United States of America, and the Universal Declaration of Human Rights guarantees our members the rights of free speech, petition, assembly, and the right to gather for the lawful purpose of advising and helping one another in asserting our rights under international law, the Federal and State Constitutions and Statutes. IT IS HEREBY DECLARED that we are exercising our right of “freedom of association” as guaranteed by the 1<sup>st</sup> and 14<sup>th</sup> Amendments of the U.S. Constitution and equivalent provisions of the various State Constitutions, which are excepted out of the powers of general government. This means that our Organization activities are restricted to the private domain only.

We proclaim the freedom to choose for ourselves the types of products, services, therapies and self-help modalities that we think best. We encourage our members to perform their own research by studying different resources to prevent illness, diseases of our minds and bodies, and for achieving and maintaining optimum wellness. We proclaim and reserve the right to include health options that include but are not limited to cutting edge treatment modalities and therapies practiced or used by any types of healers or therapists or practitioners the world over whether traditional or nontraditional, conventional, or unconventional.

Specifically, the mission of The Organization is to change existing life and health circumstances through teaching alternative health awareness, which enables members to improve their physical well-being and to provide members with the highest-level services and of research and the most effective modalities for prevention. The Organization will recognize any person (irrespective of age, race, creed, gender, or religion) who has been approved as a member and acts in accordance with these principles and policies as a member and will provide a medium through which its individual members may associate for actuating and bringing to fruition the purposes heretofore declared.

I understand that members and service providers within The Organization are or may not be medical doctors.

I understand that within The Organization no doctor-patient relationship exists but only a contract member to member organization relationship. I have freely chosen to change my legal status as a public person or patient, customer, or client to a private member of The Organization.

I understand that, since The Organization is protected by the First and Fourteenth Amendments to the U.S. Constitution, it is outside the jurisdiction and authority of Federal and State Agencies and Authorities concerning any and all complaints or grievances against The Organization, any Trustee(s), members or other staff persons. All rights of complaints or grievances will be settled by an Organization designee, committee, or tribunal and will be waived by the member for the benefit of The Organization and its members. By agreeing to this membership form I agree that I have sought sufficient education to determine that this is the course of action I want to take for myself and my children.

Because of the privacy and security of membership records maintained within The Organization, which are held to be inviolate by the U.S. Supreme Court, the undersigned member waives HIPPA privacy rights and complaint process. However, any medical or healthcare records kept by members of The Organization will be strictly protected and only released upon written request of myself as member.

I agree that violation of any waivers in the membership contract will result in a no contest legal proceeding against me.

The Organization does not participate in any medical insurance plans or collections on behalf of the member.

Other aspects of informed consent will take place in my discussions with the providers and my fellow members of The Organization.

As I am voluntarily choosing this method of natural health care, wellness, and disease prevention, I will not hold The Organization or its members financially liable for any particular outcome regarding my health.

I agree to discuss my concerns with The Organization members and to seek appropriate medical treatment, homeopathic or otherwise, should the need arise.

I agree to join The Organization, a private membership ministerial organization under common law, whose members seek to help each other achieve better health and good quality of life.

My activities within The Organization are a private matter that I refuse to share with the State Medical Board, the FDA, FTC, Medicare, Medicaid, or my own insurance company without my expressed specific permission. All records and documents remain as property of The Organization, even if I receive a copy of them. I fully agree not to pursue any course of legal action against a fellow member of The Organization, unless that member has exposed me to a clear and present danger of substantive evil, and upon the recommendation and approval of The Organization.

I enter into this agreement of my own free will without any pressure of promise of cure or disease prevention. I affirm that I do not, or will not, as a private member represent any Local, State or Federal agency whose purpose is to regulate and approve products, or to carry out any mission of enforcement, entrapment or investigation and agree to accept membership in the capacity of private member. I have read and understood this document, and my questions have been answered fully to my satisfaction. I understand that I can withdraw from this agreement and terminate my membership in this association at any time, and that my membership can and will be revoked if I engage in abusive, violent, menacing, destructive or harassing behavior towards any other member of The Organization. These pages consist of the entire agreement for my membership in The Organization.

Payment of any dues, fees or program costs, if applicable, and delivery of these signed documents to an Organization representative is considered sufficient for the membership contract. Term begins with the date of submission of this contract.
